MEMORANDUM

TO: The Honorable Phil Mendelson
Chairman, Council of the District of Columbia

FROM: Jeffrey S. DeWitt
Chief Financial Officer 

DATE: November 16, 2016

SUBJECT: Fiscal Impact Statement – “Nationals Park Graphics and Entertainment Regulatory Amendment Act of 2016”

REFERENCE: Bill 21-919, Committee Print provided to the Office of Revenue Analysis on November 3, 2016

Conclusion

Funds are sufficient in the fiscal year 2017 through fiscal year 2020 budget and financial plan to implement the bill.

Background

The bill authorizes permits for large digital signs and displays to be placed on the exterior of Nationals Park, the Ballpark District Entertainment Area (site of the future soccer stadium) and other areas designated by rulemaking in the future. It limits the signs to particular sizes, luminance, and placements on the structures.

Financial Plan Impact

Funds are sufficient in the fiscal year 2017 through fiscal year 2020 budget and financial plan to implement the bill. Agency costs are not expected to increase due to process permits. The Department of Consumer and Regulatory Affairs is uncertain of the level of enforcement of provisions will require, and is concerned this could be a burden in the future. But no additional resources are needed at this time.
